

ALEJANDRO MUÑOZ LABRADOR

BILINGUAL FULLSTACK | BACKEND | FRONTEND

ABOUT ME

I am a passionate bilingual fullstack developer with a perseverant mindset and a focus on quality. My background as a civil engineer has provided me with a solid analytical foundation and problem-solving skills that I successfully apply in the world of technology. I enjoy facing technological challenges and creating innovative solutions that make a difference. I am always motivated to learn and stay updated in this constantly evolving field. I am looking to join a dynamic team where I can collaborate and contribute with my passion for problem-solving and technical excellence.
